

BRIEF DETAILS ABOUT THE SENIORS KO CUP (17th May 2018 @ Vauxhall Holiday Park)

The EPA is starting a new knock out competition for Seniors, called the National Seniors Knock Out Cup. Teams may comprise of :

A) Your Seniors Intercounty squad

B) A county Seniors Interleague team

C) A team comprising of Seniors that are currently active in their local league – in other words the same as option B but your county does not yet have a specific seniors interleague structure.

Initially, it will run in the same way as the Ladies KO cup. Teams will consist of seven Seniors Players (“seniors” refers to EPA national rules on qualifying as a senior) played over 14 frames, to a match winner in the group stages, Top two teams in each group will then qualify for the straight knock out section of the event.

If you have two or more qualifying teams & they all want to attend then places can be requested.

The Entry Fee will be the same as the Interleague (£25.00) and the guaranteed prize fund will be £3,000.00 but it will rise if the event is well supported.

It's important that all teams are aware that this is planned to be a one-day event & will be played on Thursday 17th May 2018 in conjunction with the National Seniors Masters being held on Friday 18th May along with the Golden Cue on Sat 19th & Sun 20th – allowing players to enter three separate national events in one extended weekend.

Players will need to be 2018 card holders in order to enter.

Please contact [Kevin Armitage](#) for further details and/or request a team place.
